

Guide to Successful Collaboration

Top 5 Tips to successful collaboration	
1	Everyone is taking part in the task
2	Any disagreements are sorted out without leading to arguments and no-one interrupts
3	Everyone feels comfortable enough to express an opinion
4	Any new knowledge stays in the students head for longer meaning that more is learnt
5	Everyone feels confident to make a comment about someone else's opinion

Assessing collaboration					
Success Criteria	Strongly Disagree	Disagree	Agree	Strongly Agree	Comment
C o-operation					
C ommunication					
C ontributing					
C oncentrating					
C ompromising
