English

<http://www.bbc.co.uk/schools/ks3bitesize/english/>

BBC Bitesize is a great way to revise Reading and Writing skills for English. Remember that the 'Shakespeare' section is only useful for current Year 9 students as the set play changes each year.

<http://www.bbc.co.uk/schools/ks3bitesize/english/>

A really good interactive resource to revise and practice the use of English grammar, spelling, reading, writing, listening and vocabulary.

- <http://www.bbc.co.uk/hardspell/>

Play the 'game' to test your ability to spell quickly and accurately!

These slides give you advice on how to create and deliver an effective speech – great for developing speaking and listening skills.

<http://www.channel4learning.com/sites/waywithwords/index.html>

This site has interactive resources to encourage students to develop critical skills using a variety of fiction and non-fiction texts.

<http://www.cool-reads.co.uk/>

This site lists book reviews and offers recommendations on which books are 'cool' to read.

<http://www.cool-reads.co.uk/>

Lists of key spellings that will support study across all curriculum areas.

Maths

www.mymaths.co.uk can be accessed at any time. Students should know their logon details and can have a go at a wide range of activities including lessons, worksheets, revision materials and games.

www.bbc.co.uk/schools/ks3bitesize/maths/ has many useful resources

www.mathisfun.com and www.mathplayground.com/ are just some of the hundreds of websites full of games that enhance mathematical skills, and www.nrichmaths.org has resources that will challenge and stretch even our most able mathematicians.

Science
