Achievements and performance

Shared Vision for St Mary Magdalene Educational Partnership

The trustees have always had the highest aspirations for all of its schools to be "great" schools. The partnership is an extension of this and is a confidently Christian community established to provide a service to the community of Islington.

This is set out in its aim: "To nurture young people to become high achievers and to discover their vocation in the global society"

This has been the background to all decisions with regard to curriculum, staffing, teaching, learning and target setting.

The ambition:

- To be in the top 10% of schools nationally for progress
- To provide a broad and balanced curriculum which allows all to excel regardless of ability
- To have meaningful international partnerships which support the Schools' international perspective
- To develop and reward outstanding classroom practitioners
- To be inspired by our Christian foundation to be a fully inclusive community

The trustees have agreed a short statement of aims: "St Mary Magdalene Education Partnership is a Christian community of learning. We aim to nurture young people to become high achievers and to discover their vocation in the global society."

The St Mary Magdalene Education Partnership aims to become an inspirational community of learning, achievement and enjoyment. It will be a place where students discover their potential and gifts and get the support they need to fulfil their ambitions. Through a commitment to high educational standards and pastoral care, allied to a Christian conviction and a global vision, our Schools' aim to transform the life chances for thousands of children in the years ahead.

In our purpose-built accommodation we will build on the ethos of the long-established Christian primary school, creating a place of outstanding educational opportunities. At St Mary Magdalene Academy and its schools, all students – regardless of age, ability and background – will be enabled to bring out the best in themselves and to shape for good the world in which they are growing up, in the case of St Mary Magdalene Academy: The Courtyard, they will leave equipped with the skills to be able to live and work independently.

In addition, we read all the financial and non-financial information in the Trustees' Annual Report to identify material inconsistencies with the audited accounts and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.
