

## The new Air Ambulance pilots and doctor!

We had a special visitor this week in assembly this week as **Dr Chris Lambert**, (Rosie, Olivia and Luke's dad) came in to tell us all about his work as an air ambulance pilot. The whole school heard about what happened when Teddy broke his leg in a road accident from the moment of the 999 call to him to him recovering in hospital. The children helped out in the role of passers-by who made the phone call, the 999 operators screening the calls, the helicopter pilots and doctors themselves. The children asked some fantastic questions about where Chris got his inspiration from and how quickly they can get to the scene of an accident. It was a truly inspirational assembly which made us think about the love and care that people show everyday and the service of those in public service. A huge thank you to the Lamberts for preparing and delivering such a riveting assembly.

Thank you to **Year 1** for their magnificent assembly last Friday. They all hugely impressed us when they shared their learning!

As we all know **Sports Day** is Tuesday 4 July in Paradise Park and we hope the weather will be on our side. A letter has already been sent home about arrangements, but all are welcome to support staff and positively cheer on all pupils! Another reminder about the t-shirt colours that the different houses wear to help you plan ahead. Europe—yellow; Americas—green; Africa—blue; Asia—red.

**Message from Islington police**  
Due to a number of muggings and phone snatchings involving older pupils in the Academy, police have advised that pupils do not walk through Paradise Park or the church yard alone. In addition, phones should not be out when walking.

**Teach First Teachers**  
On Wednesday next week you may notice a few more extra faces in the playground as both the Primary and Secondary schools in the Academy are joined by some Teach First teachers. We will have ten extra teachers with us in Primary! They will have an initial day with us Wednesday and then be with us for the following week in classes working alongside our staff. I am sure that the whole community will make sure they feel welcome.

**Mathlete of the week**  
Martha—Year 3  
11,367 points

**Photos from the day trip to Warwick Castle**

**Year 6** have been enjoying themselves in **Hothorpe Hall** this week. We will hear more about their adventures next week, but I visited them for a night and day in Leicestershire earlier this week. The accommodation was beautiful, the food plentiful and the children delightful.  
**Ms Luzmore**

**Dates for next week**  
**Mon**—Year 1 trip to London Zoo  
 NSPCC assembly  
 Year 6 Transition day to SMMA Secondary  
**Tues**—Sport's Day  
**Wed**—Whole School Photo in the morning  
**Fri**—Year 6 Class Assembly 3pm  
 The week of 10 July is the last week for clubs. Please pay all outstanding fees by 14 July.

**Last week's attendance figures**

Due to a build up in the school diary, and mindful of staff workload, there will be no Display Evening this year. Instead, next year, we plan to introduce more regular events throughout the year, where parents can come and take part in special lessons alongside their child.

10 – 14 July is **Primary Language Celebration Week** and we have lots of activities planned which will give the children the experience of other languages and cultures from across our community. As well as primary staff led sessions, we are looking forward to working with parents and Secondary staff who have kindly volunteered to share their expertise to ensure our children have a fun-filled week experiencing different activities. However we would love to have more parent volunteers. If you would like to get involved please speak to Donna, Miss Grindrod or your child's class teacher.

Wednesday 12 it is our dressing-up day and the children can dress in international costume and they may want to choose their class focus country's traditional costume; country flag colours or football shirt. The classes are focusing on the following countries:

R: Romania; Y1: India; Y2: Brazil; Y3: Cyprus  
 Y4: France; Y5: Sweden and Y6: Kenya

There will also be competitions running throughout the week with opportunities for certificates and prizes to be won – there will be further details of these closer to the time.  
**Miss Grindrod**

Rosie, in Year 5 wrote a poem about the **Year 4 and 5 trip to OAE** earlier this week!

It was a wet and rainy day,  
 When we went to go and play,  
 With the Orchestra of the Age of Enlightenment.  
 We played in concert,  
 And put in a lot of effort,  
 For the Orchestra of the Age of Enlightenment.  
 We sang through the ages  
 With the sound of turning pages  
 Of the Orchestra of the Age of Enlightenment.  
 There was a lot of enjoyment,  
 With the Orchestra of the Age of Enlightenment.

**Singing, playing ukulele and dancing with the OAE!**
