

SMMA cricket battle it out in London Youth Games eliminator

SMMA travelled to AMSI for their KS3 London Youth games elimination tournament as they battled it out with schools from Islington Borough for the right to compete for the borough in the London Youth games. There was massive improvement in the gameplay after the lords tournament, especially in the batting and running between the wickets.

Game 1 - 4 wicket loss to Central foundation. Wayward bowling and too many extras let down a solid foundation of 48 scored by SMMA in the first innings

Game 2 - 65 scored. Ghazi and Cosmo retired after playing a broad range of strokes and fast running between the wickets. Lost with one ball left, again as a result of too many loose deliveries from the bowlers.

Game 3 - A competitive 39 scored in a shortened game. This unfortunately proved not quite enough after some lusty blows from Holloway's middle order.

SMMA player of tournament - captain and excellent all round game play from Cosmo
